Subject: Relay of Live Kirtan from Darbar Sahib on Radio

Respected Bhai Sahib Bhai Giani Gurbachan Singh *ji*,

Waheguru ji ka Khalsa, Waheguru ji ki Fateh

Live telecast of *Gurbani Kirtan* from the Darbar Sahib, Amritsar, for a few hours in the morning and evening is indeed a great service to the followers of *Sikhi*.

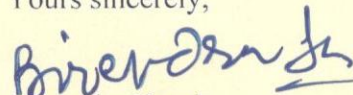

On similar lines, the *sangat* shall benefit immensely if *Kirtan* could be aired live on a radio channel throughout the day. Radio today is a very popular medium amongst the masses. Keeping in mind the busy schedule of people these days, not many are able to spare exclusive time to listen to *Kirtan*. One channel could be dedicated for this purpose.

For the hours when *Kirtan* is not being performed at the Darbar Sahib, *Shabads* by *Hazoori Ragis* could be aired. Alternatively, parts of *Kirtan* of the day could be re-played.

Round-the-clock relay of *Kirtan* shall enable the *premis* to go about their daily chores/drive, etc., in the backdrop of Guru's *Bani*, at any and every time of the day. This should also cater to the *sangat* throughout the world.

Hoping for a favourable response.

Best Regards,
Yours sincerely,
